

Research Services Division

Nonpartisan, Objective, Confidential

Research: Legislative Ideas, Bill Requests, Monitoring State Programs

Research Analysts will...

- Prepare detailed, thorough reviews of issues.
- Discuss and answer technical, scientific, and other specific questions.
- Research and analyze an issue related to a possible bill or resolution.
- Summarize past legislative activity and history.
- Explain federal and state programs or law.
- Attend workgroups and support with research.
- Produce publications on policy issues.

Resolutions: Business and Policy

Research Analysts will...

- Expertly draft the resolutions required by law.
- Compose resolutions expressing the will of the Legislature on a public policy matter.

Our Mission: Objective, Timely, Confidential

Research Analysts will...

- Provide objective information and analysis.
- Meet your timeframe for a response.
- Keep your research and resolution requests confidential.

Submit Research or Resolution Requests...

- MiSource: Look for LSB's intranet link, <http://misource.legislature.mi.gov>, on your chamber's internal network to make requests for research or resolutions, view responses to requests, and access LSB publications.
- Email: Send requests to researchrqsts@legislature.mi.gov when you are not logged on to your chamber's internal network.
- Phone: Call our main line to submit requests at (517) 373-5200
