A1@1 Most Important Problem

What would you say is the most important problem facing your community today?

954 cases

Type: numeric Min: 1 MD Codes: 99,98
 Decimals: 0 Max: 91

Input location: 1/15-16

A2a Address Problem

You mentioned (problem) as the most important problem in your community.

There are various ways in which this problem could be addressed. I want to ask a few questions about this.

Do you think this problem is something that can best be handled by some level of government, by private business, by voluntary and community organizations, or by the people themselves?

Do you think this problem is something that can best be handled by private business, by voluntary and community organizations, by the people themselves, or by some level of government?

PCT	N	VALUE	LABEL
