

## MPLP ANNUAL DINNER AND BREAKFAST

Each year, MPLP hosts two fundraising events to support the year's programming and enable participation by our 24 fellows. One event is in southeast Michigan and the other is in Grand Rapids. Major speakers - a Republican and a Democrat - are invited to share the stage to debate policy and politics. Time is set aside for audience questions and answers. An impressive group of Michigan politicians comes together each year for lively and entertaining events. MPLP has consistently hosted bipartisan Michigan leaders to interact and hear from our nation's top political insiders.
