## P1b Priority Ver III

There is a lot of talk these days about what the priorities of the country should be. Which of the following do you consider to be the most important?

Giving people more say in important government decisions; fighting rising prices, protecting freedom of speech, or maintaining order in the nation?

PCT	N	VALUE	LABEL

## rp1 Affirmative Action II

I just have a couple more brief questions that I would like to ask you. I have already asked you these questions earlier, but I need to ask them one more time to verify your responses.

Blacks are more violent than whites.

Would you say you strongly agree, somewhat agree, somewhat disagree, or strongly disagree?
