newv1 Census - Charitable Giving

Now, thinking about your own charitable giving,

Donations include any gifts of money, assets, or property made directly to the organization, through payroll deduction, or collected by other means on behalf of the charity.

We define a donation as a free gift of money or assets. Please do not consider fees for services or purchases made from an organization as a donation.

Last year (that is, in 2006) did you or anyone in your family donate money, assets, or property, with a combined value of more than \$25 to a religious or charitable organization?

Census - Charitable Giving Decisions

We have been talking about donations that your family, as a whole, made to charitable purposes and organizations. However, individual family members, sometimes even children, may decide how much to give to different charities.

Who in your household is considered most involved in deciding which charities your household will give to?

PCT	N	VALUE	LABEL

Census - Volunteer Activities

Next, I have some questions about volunteer activities.

We are interested in volunteer activities, that is, activities for which people are not paid, except perhaps expenses. We only want you to include volunteer activities that you did through or for an organization, even if you only did them once in a while."

Since August 1st of last year, have you done any volunteer activities through or for an organization?
